ON THE WAY TO THE MARKET ONE MORNING...

Yes, but we all get to pay discounted fares for up to 7.2km travelled. After 7.2km, our fare will be at a flat rate.

How about our concession fare?

Oh, and with Distance Fares, we need not worry about making transfers as transfer penalties will be removed!

Wonderful! I know of a market in Jurong that sells the freshest food. I shall make a bus transfer to get there. Then I can walk to visit my sister who stays nearby...

MEANWHILE, HER HUSBAND AT HOME...

From 3 July 2010, all commuters will be charged a fare according to the distance travelled, on the bus, LRT and MRT. With Distance Fares, fares are computed on a journey basis, without transfer penalties being imposed for every transfer trip of your journey. Senior citizens have to start their journeys after 9am on weekdays to enjoy concession fare and must always remember to tap in on entry and tap out on exit. They can enjoy a flat rate after 7.2km.

REMEMBER TO TAP IN AND TAP OUT
Maximum fare will be charged if you forget to tap out on exit.
